Tell us if...

YOU CHANGE CARS

If you change your car please notify your broker or usual Insurance Adviser and we'll advise of any change of premium and send an updated policy schedule. We'll need to know the value, make/model, registration number and cubic capacity of your new car, and if you've registered the car in another name.

Please remember it is a policy condition that any change of car should be notified to us otherwise your new car will not be covered.

YOU WANT TO CHANGE DRIVERS

Your policy shows who you have named to drive your car. If you wish to change any of the names, please contact your broker or usual Insurance Adviser straight away to enable us to make the necessary changes.

YOU CHANGE ADDRESS

Please contact your broker or usual Insurance Adviser with full details of your new address including the full postcode as soon as you know them. We also need to know whether your car will be garaged or not at your new address (if not where will you keep it) and the date of your move. We will then be able to advise any change in premium and update your policy.

YOUR HEALTH CHANGES

Please contact your broker or usual Insurance Adviser if any driver's health changes. If health circumstances change it is a condition of the policy that we are notified.

OTHER CHANGES IN CIRCUMSTANCES

As a condition of the policy we should be notified of any changes. Examples would be if you or any other named driver have been convicted of a motoring offence; a change in use of your car, e.g. business use; or any modification to the car itself that may affect its performance. This is not an exhaustive list and should you be in any doubt please contact your broker or usual Insurance Adviser.

Other useful points...

DRIVING OTHER PEOPLES CARS

Your policy entitles you as Policyholder to drive other cars but the cover is restricted to liability to third parties and does not provide cover for damage to the car itself.

While this limited form of cover can be very useful in an emergency, if you are proposing to drive someone else's car regularly then you should be named on their insurance policy.

IF YOU ARE USING YOUR CAR FOR TOWING

Your policy provides cover for any legal liabilities which arise while towing, but it doesn't provide any cover for damage to the items being towed. Therefore you will need to arrange separate cover for your trailer, boat or caravan if you require damage cover. If you are taking your trailer, boat or caravan abroad please let your broker or usual Insurance Adviser know so that it can be included in your Green Card.

HOW DOES NO CLAIM DISCOUNT WORK

You earn No Claim discount for each year of claim free driving, increasing annually up to a maximum of 4 years, which, with Insurance Corporation, gives a 60% discount from your base premium. A single at-fault claim (or not at-fault claim if you are unable to recover your uninsured losses) reduces your 60% no claim discount to 40% and 2 such claims will reduce your discount to nil.

However, if you have chosen to take No Claim discount protection cover then your hard earned 60% discount will not be affected unless you have more than 2 claims in 5 years. Windscreen breakage claims do not count.

HAVE YOU THOUGHT ABOUT EXTRAHELP?

As a further service to our customers we have arranged through The FirstAssist Group, a service which will make all reasonable efforts on your behalf to recover uninsured expenses if you are not to blame for the motor accident. The legal costs involved in pursuing such a claim are covered up to £25,000.

With Extrahelp, you also have immediate and confidential access by phone to a team of local legal consultants who will give you advice and guidance on any private legal matter.

This valuable service is available for a few extra pence per month. If you have not already taken advantage of this option and now wish to do so, please contact your broker or usual Insurance Adviser.
