Claim Notification

Conditions that apply to this Policy in the event of a claim are set out in the Policy Conditions pages of this Policy. It is important that you comply with all Policy Conditions and you should familiarise yourself with their requirements.

Directions for claim notification are included in the Policy Conditions. Please remember that events that may give rise to a claim under this insurance must be notified as soon as reasonably possible although there are some situations where immediate notification is required.

The Policy Conditions require you to provide us with any reasonable assistance and evidence that we may require concerning the cause and value of any claim. Ideally, as part of your initial claim notification, you should provide:

- Your name, address, and your email and contact numbers
- Personal details necessary to confirm your identity
- Policy number
- The date of the incident
- The cause of the loss or damage
- Details of the loss or damage together with claim value if known or in respect of injury the nature and extent
- The crime reference number where applicable
- Names and addresses of any other parties involved or responsible for the incident (including details of injuries) and addresses of any witnesses.

This information will enable us to make an initial evaluation on policy liability and claim value. We may, however, request additional information depending upon circumstances and value which may include the following:

- Original purchase receipts, invoices, instruction booklets or photographs
- Purchase dates and location of lost or damaged property
- For damaged property, confirmation from a suitably qualified expert that the item you are claiming for is beyond repair.

Sometimes, we or someone acting on our behalf may wish to meet with you to discuss the circumstances of the claim, to inspect the damage or to undertake further investigations.

We take pride in the claims service we offer to our customers. Our philosophy is to repair or replace lost or damaged property, where we consider it appropriate, and we have developed a network of contractors, repairers and product suppliers dedicated to providing claim solutions.

Where we can offer repair or replacement through a preferred supplier but we agree to pay cash settlement, then payment will normally not exceed the amount we would have paid our preferred supplier.

Commercial Vehicle Insurance Policy

Your Policy

This Policy is a contract between you (also referred to as the Insured or your) and us (also referred to as the Insurer, we, our or Insurance Corporation of the Channel Islands).

We would advise for clarity that although there may be more than one party detailed as Insured in the Schedule, in terms of the application of Sums Insured, Limits of indemnity or cover under the Policy, there is still only one Insured or one party or legal entity so there will only be two parties to the contract of insurance.

This Policy and any Schedule, Endorsements, Clauses and Certificates should be read as if they are one document.

Our acceptance of this risk is based on the information presented to us being a fair presentation of your business including any unusual or special circumstances which increase the risk and any particular concerns which have led you to seek insurance.

We would draw your attention to the Policy Conditions – Policy Voidable where in the event of deliberate or reckless misrepresentation and/or non-disclosure of any unusual or special circumstances which increase the risk, we may void the policy.

Our continued acceptance is based on any changes from the original information presented being advised and accepted by us.

We also draw your attention to the Policy Conditions – Alterations where a change in risk shall allow us to avoid a claim or impose additional terms or conditions.

Any reference to the singular will include the plural or vice versa.

Any reference to any statute or statutory instrument will include any modifications or re-enactment thereto.

This Policy may be cancelled:

- A By us giving 30 days notice, in writing, to you at your last known address
- B By you giving 30 days notice, in writing, to us at the address shown in the Schedule.

You will be entitled to a proportionate return of premium unless a claim has been made in the current Period of Insurance.

Privacy Notice

Your privacy is important to us and we are committed to keeping it protected. We have created this Customer Privacy Notice which will explain how we use the information we collect about you and how you can exercise your data protection rights. This Privacy Notice will help you understand the following:

Who are we?

We are Insurance Corporation of the Channel Islands Limited, a member of the RSA Group of companies. We provide commercial and consumer insurance products and services.

Why do we collect and use your personal information?

As an insurer, we need your personal information to understand the level of insurance cover you require. We'll use this information (e.g. your name, address, telephone number and email address) to communicate with you and if you have agreed. We need to use your information to create a quote for you, allowing you to buy insurance products from us. When buying a product from us, you'll also need to provide us with details about the items you wish to be covered by the insurance. We may need to check your information with external companies/organisations (e.g. the DVLA, the Motor Insurance Database, credit reference agencies and criminal conviction checks.) When buying certain products, sometimes we will ask for special categories of personal data (e.g. driving offences for motor insurance, medical records in case of injury). Once you become a customer, we'll need to take your payment details to set up your cover. This could be direct debit, credit or debit card information.

If you need to claim against your insurance policy, we will need to collect information about the incident and this may be shared with other selected companies to help process the claim. If other people are involved in the incident, we may also need to collect additional information about them which can include special categories of personal data (e.g. injury and health data). In submitting an application, we may be provided with equivalent or substantially similar information relating to other proposed beneficiaries under the policy. You agree that you will bring this Privacy Notice to the attention of each beneficiary at the earliest possible opportunity. Data protection laws require us to meet certain conditions before we are allowed to use your personal information in the manner described in this Privacy Notice. To use your personal information, we will rely on one or more of the following grounds:

Performance of contract: We need to use your personal information in order to provide you with the policy (which is a contract of insurance between you and us), and perform our obligations under it (such as making payments to you in respect of a claim made under the policy).

Consent: In certain circumstances, we may need your consent unless authorised by law in order to use personal information about you which is classed as "special categories of personal data".

Necessity to establish, exercise or defend legal claim: If you, or we, bring a legal claim (e.g. a court action) against the other, we may use your information in either establishing our position, or defending ourselves in relation to that legal claim.

Compliance with a legal obligation: Where laws or regulations may require us to use your personal information in certain ways.

Legitimate Interests: We will also process your personal information where this processing is in our "legitimate interests". When relying on this condition, we are required to carry out a balancing test of our interests in using your personal information (for example, carrying out analytical research), against the interests you have as a citizen and the rights you have under data protection laws. The outcome of this balancing test will determine whether we can use your personal information in the ways described in this Privacy Notice. We will always act reasonably and give full and proper consideration to your interests in carrying out this balancing test.

Where else do we collect information about you?

We will receive details about you from other people or companies. For example:

Which decisions made about you will be automated?

Before we can offer you an insurance product or service, we may need to conduct the following activities, which involve automated (computer based) decision-making:

Pricing and Underwriting – this process calculates the insurance risks based on the information that you have supplied. This will be used to calculate the premium you will have to pay.

Credit Referencing – using the information given, calculations are performed to evaluate your credit rating. This rating will help us to evaluate your ability to pay for the quoted products and services.

The results of these automated decision-making processes may limit the products and services we can offer you. If you do not agree with the result, you have the right to request that we perform a manual reassessment using the same information that you originally provided.

For how long will we keep your information?

Your personal information will be retained under one or more of the following criteria:

Where the personal information is used to provide you with the correct insurance cover, which will be kept as long as it is required to fulfil the conditions of the insurance contract.

Where, for a limited period of time, we are using some of your information to improve the products or services we provide.
